About Austin Tan Cerca de la Frontera

For over ten years, Austin Tan Cerca de la Frontera (Austin So Close to the Border) has sought to educate Austinites about labor and human rights, fair trade, and the hidden costs of U.S. trade policy.

After 50 years of serving regional, low-income communities, the Austin American Friends Service Committee office will close September 30, 2010. A former program of AFSC, Austin Tan Cerca is moving out on its own as a full non-profit organization that will continue to serve the Austin community and border region. Its principles and educational mission remain the same.
